Mac: Press Command + Shift + R.

*Safari*

- 3) **Clear your browser's cache.** For directions and more information, go to <https://knowledge.kidkare.com/support-releases/troubleshoot-login-issues>

If you are still having trouble or need help with any of these steps, contact ACA. We are here to help you.

### Food Program Virtual Visits

USDA is allowing some fiscal year 2025 Food Program visits to be conducted virtually rather than in person. These virtual visits will be like those conducted last fiscal year.

Meal and snack observation visits will be in person. Other types of visits may be in person, or they may be on a computer, tablet, or smart phone.

Please contact ACA if you have any questions.
