

**TIRED OF GOING TO THE BANK?
 WORRIED ABOUT YOUR FOOD PROGRAM CHECK
 BEING STOLEN FROM YOUR MAIL?
 TRY DIRECT DEPOSIT SERVICE**

You can have your Child and Adult Care Food Program monies deposited directly into your checking or savings account. No more quick trips to the bank. You don't need to worry about your monies, if you are unable to get to the bank due to weather, being sick, or on vacation. They will be there automatically. By the time most people get their check, your money will already be in the bank.

Instead of a check, you will receive an "Advice of Deposit", so you will know what day and how much has been deposited in your account.

If you are interested in "Direct Deposit", complete the following form and mail it to the Alliance Office:
