Dear Parent or Guardian:

Please help your Child Care Provider serve nutritious meals to your child(ren) or foster child(ren).

Your Child Care Provider participates on the United States Department of Agriculture (USDA Child and Adult Care Food Program (CACFP) with our sponsorship. He/she receives reimbursement for the nutritious meals served to your child(ren). The information we are requesting from you will be used by Adults & Children Alliance (ACA) to determine how much money your Provider will receive for meal reimbursement.

Please read the directions on the back side of this letter. If you believe your child(ren) will qualify because they are a foster child, participate in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP), or Food Distribution on Program Indian Reservations (FDPIR), or your household income is at or below the amount listed, complete the Household Statement for Participating Families. (Note: participation in Medical Assistance or Child Care Assistance does not automatically qualify your child(ren).

All the information is kept confidential. Your income information will not be shared with your Child Care Provider. Please make sure your form is complete as it cannot be used if incomplete.

The complete form should be sent to ACA in the enclosed, preaddressed envelope.

If you have questions or wish additional information, please feel free to contact us.

List all infants and children in the household and their birthdates. Attach an additional page if needed to list all children. Fill in circles to show which children are enrolled at the child care. If any children are foster children (a welfare agency or court has legal responsibility for the child), fill in the circle.

If any children have regular earnings, write in the amount of income and frequency. Do not write in an hourly wage. Do not include occasional earnings like babysitting or lawn mowing.

**Step 2 Case Number**

If you or any other household member participates in SNAP, MFIP or FDPIR assistance programs, circle the name of the program, write in the case number, then go to Step 4. (Medical Assistance (M.A.) and WIC do not qualify for this purpose.)

- For each income, fill in a circle to show how often the income is received: each week, every other week, twice per month, or monthly.
- For farm or self-employment income only, list the net income per year or month after business expenses. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
