Preventing Foodborne Illness

The holidays are a time for good food, family, and friends. Unfortunately, it is also a time for foodborne illness. Here are some tips and resources to help keep your celebrations safe.

- **Wash your hands.**
- **Prevent cross-contamination.**
- **Cook the turkey to 165°F.**
(Place all leftovers in the refrigerator within 2 hours.)
- **Follow the 2 hours Rule.**
(Call the USDA Meal and Poultry Hotline: 1-888-674-6854.)
- **Ask questions.**

Apple Coleslaw

- 1 ½ cups cabbage, shredded
- ¼ cup carrot, grated
- ½ cup green pepper, chopped
- 1 ½ cups apple, chopped
- ¼ cup golden raisins
- 5 Tbsp. low-fat yogurt (within sugar limit)
- 1 Tbsp. low-fat mayonnaise
- 1 tsp. lemon juice
- ¼ tsp. dill weed

Mix the cabbage, carrot, green pepper, apple, and raisins in a large bowl. In a small bowl, stir together yogurt, mayonnaise, lemon juice, and dill weed to make a dressing. Pour the dressing over the salad. Toss to mix. Refrigerate until served.

Yield: 8 servings (about ½ cup per serving)

Crediting Information: Each serving credits as a vegetable (¼ cup), and a fruit (¼ cup) at lunch/supper for children 3-5 years.
