

### Fiscal Year 2022 Begins October 1<sup>st</sup>

The new fiscal year is nearly here, and we begin it still conducting virtual Food Program visits. Unlike last fiscal year, this year's requirements include unannounced visits.

We know virtual unannounced visits can be inconvenient, so we prepare ahead of time to make them as efficient as possible. You also have a role in making virtual visits go smoothly. Please be sure to:

- Answer the phone when ACA calls.
- Be prepared to conduct at least part of the visit using a visual platform like Teams, Duos, or Facetime.
- Keep your Food Program records up-to-date and easily accessible.
- Returned your signed and dated review form and any other needed documents as instructed. **Failure to return documents by the requested date and time will result in the visit not counting.**
- Give ACA prior notice of days you will be closed or away from your childcare site.
- If you are planning to move, let ACA know in advance.

Our goal is to help you successfully participate in the CACFP. Never hesitate to contact ACA with your Food Program questions or concerns.

### Infant Nutrition Quiz From USDA

Find out if you know a lot about feeding babies by taking this quiz.

### Maui Pizza Rollups

3 (8 inch) whole wheat tortillas, warmed

Each tortilla must be at least 1 oz.

3 Tbsp. fat free cream cheese, softened

¼ cup low sodium marinara sauce

6 ½ oz slices of ham

½ cup finely chopped and drained pineapple

⅓ cup shredded mozzarella cheese

Spread tortillas with cream cheese and marinara sauce; top with ham slices (2 per tortilla), pineapple and mozzarella.

Roll tortillas up tightly around filling, tightly wrap with plastic wrap. Refrigerate tortillas at least 1 hour or up to 1 day. Remove plastic wrap from tortilla rolls, slice crosswise into 8 (1-inch thick) slices. Makes 24 rollups.

**Yield:** 6 servings (4 roll-ups per serving)

**Serving Size:** Each serving provides a whole grain (½ oz eq) and a meat at snack for children 3-5 years.
